Jody Deaderick

Board President

Jody Deaderick joined the CCSD board in December 2020. She and her husband John have been Moonshine Road residents since 2005. Jody retired from her position as Arts Director at the Nevada City School of the Arts in June 2020. She enjoys reading, yoga, birdwatching, hiking, and baking pies and other desserts.

Jody is one of the coordinators of the recently formed Moonshine Road Firewise Community.

Working to make their 15-acre property more firesafe has become a major project for her and John.
